Brioche Next Steps – Increases, Decreases, and Cables

Cast on 25 sts using a long tail cast on and color A (I recommend using your lighter color). Slide the work to other end of needle to work RS with color B.

Setup Row (color B, RS): K1, sl1yo, (p, sl1yo) repeat to last st, sl1 wyif. Turn to work color A.

Brioche Rib WS (color A): K1, (brp, sl1yo) to last 2 sts, brp, sl1 wyif. Slide.

Brioche Rib WS (color B): K1, (sl1yo, brk) to last 2 sts, sl1yo, sl1 wyif. Turn.

Brioche Rib RS (color A): K1, (brk, sl1yo) to last 2 sts, brk, sl1 wyif. Slide.

Brioche Rib RS (color B): K1, (sl1yo, brp) to last 2 sts, sl1yo, sl1 wyif. Turn.

Repeat the two Brioche Rib rows once more, then work the Brioche Rib WS row (remember that a row worked in color A, then worked again in color B are counted together as one row).
