

# SHETLAND HAP

## HOMEWORK

### Shetland Hap

#### Materials:

**Yarn:** 2-ply lace weight yarn, approx. 200 yards. Jamieson & Smith 2-Ply Lace is a good example, but any lace weight yarn will work.

**Needles:** US 5 (3.5mm) circular needles.

**Notions:** Waste yarn (smooth yarn, same weight or lighter than working yarn, in contrasting color), stitch holder, tapestry needle.

#### Homework Directions:

With waste yarn, cast on 8 sts. Knit 2 rows. Cut waste yarn. Join working yarn and knit two rows.

Begin working from Edging Chart (or written directions), starting with Row 1 (RS). (Note: Slip stitches purlwise with yarn in front.)

Repeat Rows 1-12 of Edging pattern 7 total times, ending with Row 12 (for 84 rows total of the chart). (8 sts) Place sts on stitch holder, DO NOT cut working yarn.
